Dear Founders Park Clinic Families,

Our clinic will be closing its doors at the end of the year, as both of our providers, Martin S. Spahn, MD, and nurse practitioner Jean M. Hohm, CPNP, are retiring.

We will continue to see our patients through December; however, we recommend that you start preparing the transfer of your pediatric care. Your medical records can be requested through the clinic until mid December, and will be available through an online medical records custodian thereafter. Please visit www.foundersparkclinic.com for updated payment information and for the downloadable medical records release form, a copy of which is also included in this mailing.

If you choose to establish care with the Rapid City Medical Center pediatric department, Dr. Farnsworth, in association with her partner Dr. Hushagen, will be welcoming Founders Park Clinic patients up to 16 years.

Sincerely Yours,

Martin S. Spahn, MD, and Jean M. Hohm, CPNP,

And the Founders Park Clinic Team:

Kay Spahn, Brandy Walker, Zoe Palmer, Brenda Graybill and puppies Lucy & Sammy
